

GLORYSTAR

FIX-028

Foldable base bracket

Support Landscape

Viewing Angle

VESA 75x75/100x100

Overview

The Desktop Monitor Stands FIX-028 is compatible with the VESA75 or VESA100 mounting pattern on the back of your touchscreen computer. This is the standard hole spacing used on most 10-15.6 inch displays. It offers Adjustable tilt and rotation - this provides the flexibility to position the tablet in landscape orientation and at the optimal viewing angle. The heavy-duty, all-metal construction is ideal for providing a stable, secure hold on the touchscreen computer. It has a sturdy clamping mechanism or grommet base to firmly attach to your desk or surface.

Depending on the application field, different functional modules such as scanners or card readers can be added to form self-service terminals for ordering, checkout, or inquiry.

Supporting 10 - 15.6" Display screen

Option: Screen, Scanner, NFC

Specifications

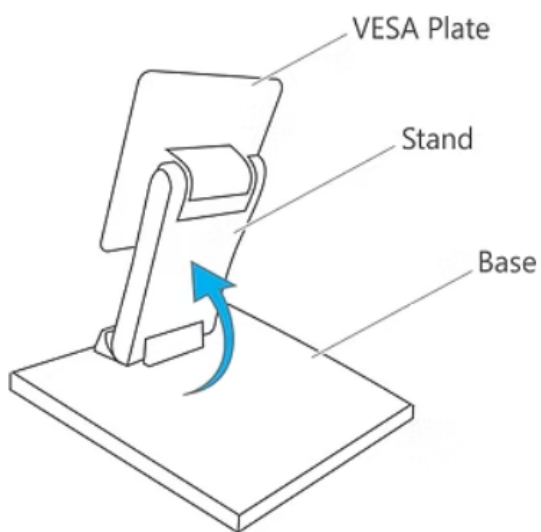

Foldable base bracket	
Model	FIX-028
Suitable for size	10 - 15.6 inch
Material	Metal
Color	Black
VESA mounting holes	75 x 75 mm / 100 x 100 mm
Angle	Tilt: 85 degree Rotate: 180 degree
Physical Dimension (LxWxH)	212 x205 x 235mm Folded size: 212 x205 x 60mm
Physical Weight (kgs/pc)	1.3kg
Individual Packing Dimension	246x225x61mm
Individual packing Weight (kgs)	1.4kg
Master Box size (LXWXH)	474x260x268mm
Master Box Weight	11.9kg
Pieces/ Carton	8pcs
Included in Box	Desktop Monitor Stand

Note: The monitor desktop mount must be evenly positioned on a stable horizontal surface. If the mount is not positioned in a balanced manner, it may fall, resulting in possible injury and/or damage.
