About the Terminal Kiosk Floor Stand

The Terminal Kiosk Floor Stand is a sturdy and versatile solution designed for interactive touchscreen applications. Crafted from durable SPCC steel in a clean white finish, it supports displays from 15.6 to 21.5 inches with standard VESA mounting patterns (75x75 and 100x100 mm) and a load capacity of up to 20 lbs.

This floor-standing kiosk accessory is ideal for retail, hospitality, and self-service environments, offering a professional and reliable platform for touchscreen terminals.
